

NYU's 41st Annual Head to Toe Imaging Conference
December 12-16, 2022

Daily Attendee Feedback

Course content and format is modified yearly, using verbal and written feedback from you. This is critical to our mission to provide the highest quality lectures covering topics of specific interest.

Please click on the links below to provide your comments.

You do not have to complete the entire form. Submit feedback for lectures you attended.
Please add additional feedback any time by revisiting the links.
