

**NYU Langone 41st Annual Morton A. Bosniak Head to Toe Imaging Conference  
December 12 - 16, 2022**

**ACCREDITATION STATEMENT**

The NYU Grossman School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**CME CREDIT DESIGNATION STATEMENT**

The NYU Grossman School of Medicine designates this live activity for a maximum of *41.25 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**MISSION STATEMENT**

The NYU Grossman School of Medicine is committed to training physicians to provide excellent care of patients through life-long continuing medical education of the highest quality. Our overall goal is to enhance clinical competence and performance, and, where possible, improve patient outcomes.

Provided by the NYU Grossman School of Medicine

## NYU Grossman School of Medicine FULL DISCLOSURE POLICY

### NYU Langone 41st Annual Morton A. Bosniak Head to Toe Imaging Conference December 12 - 16, 2022

It is the policy of the NYU Grossman School of Medicine to ensure balance, independence, objectivity, and scientific rigor in all its individually provided or jointly provided activities. Because CME activities are conducted in the public interest, it is important to assure the public that education received by physicians and other health care professionals through whom patient care decisions are made is conducted with the highest integrity, scientific objectivity and in the absence of bias. A relevant financial relationship exists when individuals have both a financial relationship with an ineligible company and the opportunity to affect the content of CME about the product or services of that ineligible company. The Accreditation Council for Continuing Medical Education (ACCME) holds providers of CME responsible for collecting information from its planners and presenters of CME content and mitigating those relationships prior to the commencement of the CME activity. The intent of the mitigation process is to assure that provider, planner, and presenter's financial relationships with ineligible companies do not supersede the public interest in the design and delivery of continuing medical education activities for the profession.

The following presenters or planners have indicated whether or not they have a relevant financial relationship with an ineligible company or companies. Additionally, **"Unlabeled/Unapproved"** will disclose whether they will include the discussion of the unlabeled or unapproved use of a drug, device or procedure and **"New & Evolving Topics"** will indicate that this presenter will be discussing, debating, or exploring new and evolving topics.

<b>Name</b>	<b>Role</b>	<b>Company Name: Type of Relationship</b>
Ronald Adler, MD, PhD	Speaker	reports no relevant financial relationships.
Erin Alaia, MD	Speaker	reports no relevant financial relationships.
Jeffrey Alpert, MD	Speaker	reports no relevant financial relationships.
Leon Axel, MD, PhD	Speaker	reports no relevant financial relationships. <b>New and Evolving Topics:</b> evolving methods for MRI
Lea Azour, MD	Speaker	reports no relevant financial relationships. <b>New and Evolving Topics:</b> New lung cancer screening
Frederic Bertino, MD	Speaker	reports no relevant financial relationships.
